

Getting Ahead Initiative

Are you feeling stuck?
Are you tired of just getting by?

It's not about how you arrived to where you are now, it's about what comes next to build the life you want.

What You'll Learn:

- ✓ Examine the impact poverty has on individuals and the community
- ✓ Participate in problem-solving discussions and investigations
- ✓ Build stability and resources as you work toward stabilizing your own situation
- ✓ Formulate a plan based on your personal goals to rewrite your future story
